

WK LED THICK NEON

WK LED THICK NEON

We have finally developed an affordable LED Flex tube that does not give any dots!

WK LED THICK NEON gives you uniform lit linear LED lighting!!

This Flex tube is very flexible, easy to install and generates no heat

It's moderate size of 14x22mm makes it useable in nearly all circumstances

You can cut the tube every 3,75cm at 12V, every 7,5cm at 24V and every 75cm at 220V

WK LED THICK NEON is **IP68**, so suitable for indoor and outdoor use

This product is very interesting replacement for NEON lighting!

WK LED THICK NEON is available in **RED** / **YELLOW** / **BLUE** / **GREEN** and **WHITE** Colours
