

# PLEXINEON® MOUNTING CLIPS

## iLight # PNC125 & PNC150

- Plexineon mounting clips are made of stainless steel and powder-coated to match the plastic channel.
- Clips come in two sizes: 1.25" tall and 1.50" tall
- 1.25" clips are for Plexineon without c-channel
- 1.50" clips are for standard Plexineon with c-channel
- Clip colors available are: silver, red, yellow, blue, green, white and black

(C-channel is a supportive piece attached to the product in the factory used on straight pieces for added rigidity.)
